PROFESSIONAL EXPERIENCE

TRAVELIER **Sao Paulo, Brazil**
World's largest travel-tech group for ground and sea transportation; 5 global brands, 120+ countries, 14M monthly visitors **2024 – 2026**
Finance Manager
- Led a 6-person finance team through a post-acquisition restructuring as headcount fell 50%, retaining the full team while supporting growth in bus operator, travel agency and corporate client partnerships and expanding scope after the CFO's departure
- Restored working capital and cash cycle within 2 months with zero external capital despite an inherited negative cash position and overdue payables, tightening payment terms, credit limits and collection controls to recover 81% (US$350K) of year-old receivables
- Delivered the first external audit in the company's 12-year history, rebuilding five years of financials and using AI to automate analyses including impairment testing, closing two audit years in 5 months for post-closing and investor review

BITSO **Sao Paulo, Brazil**
Latin America's first crypto unicorn, operating across 8+ countries with multi-entity, multi-currency structure **2023 – 2024**
Corporate Accounting Specialist
- Designed Bitso's digital asset reporting methodology across 8 countries with no established accounting standard, leading alignment across 10 cross-functional stakeholders on valuation and asset movement rules and standardizing reporting
- Built reporting process for a new credit institution, aligning with Brazil's Central Bank and submitting 300+ annual filings on time
- Created B2B value proposition and pitch, translating product economics to win a company-wide competition among 40 teams

XP INC. **Sao Paulo, Brazil**
One of Brazil's largest financial institutions; a Nasdaq public company; +R$2T AUM, 60+ legal entities **2020 – 2023**
Financial Reporting Analyst
- Owned and presented monthly Board results directly to the CFO within 3 months of joining, providing the baseline for Earnings Release through investor-grade variance analysis, KPI deep dives and technical accounting insights
- Built and presented a financial statements course to 500+ managers and senior leaders, covering balance sheet, P&L, cash flow, complex instruments and valuation methods to strengthen understanding of the company's Earnings Release
- Consolidated 60+ legal entities and investment funds across regions and currencies into 20+ annual financial statements, running a 2-day close and 1-day review for quarterly Nasdaq reporting while creating SOX controls to reduce errors
- Saved US$480K annually by replacing an external lease tool with an internal automation that closed the books one week earlier

PP&C **Sao Paulo, Brazil**
Brazilian firm member of Nexia, 8th largest global audit and advisory network **2018 – 2019**
Senior Auditor
- Developed the firm's audit materiality methodology in the first year, creating a standard still used across client engagements today
- Led audits and due diligence for German, French, UK and Dutch clients, managing international reporting for Brazilian operations

EY **Sao Paulo, Brazil**
Senior Consultant **2015 – 2017**
- Sized risks that shaped deal prices on M&A transactions over US$1bn across domestic and international engagements, quantifying quality of earnings, working capital and carve-out adjustments carried directly by buyers into price negotiations with sellers
- Led diligence workstreams on transactions involving Cosan, Continental, Brookfield and Odebrecht, directing analysts and coordinating legal, tax and operations advisors to synthesize findings and deliver recommendations under tight deal deadlines
